Mechanical Replacement

Mechanical Replacement at the existing assembly/new study spaces is not included in the project scope. All new restrooms in the existing building must maintain code required exhaust requirements.

Pew Refurbishment & New Pew Installation

Confirm pew refurbishment and installation is in the scope of work. Confirm purchase and installation of new pews is in project scope. At this time it is assumed that all pew work is provided by the Owner.

-JLG will layout relocation of existing pews for scope definition

Alternate 09: Toilet Partitions

Phenolic Partitions: Scranton Hiny Hiders
